(Certificate No. 18-16/2893-INC)

CAREER GUIDANCE PROGRAMME

As a part of career guidance program, Amala College of Nursing conducted a class on career opportunities in UK. The resource person was Mrs. Albrit J Vadakkan, a Registered Nurse, at University Hospital Southampton (2017 alumni). The

class was on 15/11/23 in lecture hall III from 3-4 PM. The field of nursing in the United Kingdom is one of the most dynamic and rewarding career paths available. In recent years, the

demand for qualified nurses has been consistently high due to various factors such as an aging population, advancements in healthcare, and the ongoing global health challenges. She discussed about various aspects like Demand, Specializations, Education and Training, Salary and Benefits. She mentions that initiatives to increase funding for training, improve working conditions, and enhance career development opportunities are underway. The fourth-semester students actively attended the class and cleared their doubts. The session was concluded with a vote of thanks by Ms. Ayana Baby.
