

Annual Report of Placement Cell 2023-2024

Annual Report of Placement Cell 2023-2024

The Placement Cell of Amala College of Nursing plays a pivotal role in bridging the gap between academic excellence and professional opportunities for students. Established with the vision of empowering nursing graduates to achieve their career aspirations, the cell serves as a dynamic interface between students and healthcare institutions, both nationally and globally. Through meticulously planned activities, the Placement Cell ensures that students are well-prepared to face the competitive healthcare industry. It organizes training sessions, career guidance programs, mock interviews, and skill-enhancement workshops to equip students with the necessary competencies and confidence. The Placement Cell's commitment to excellence is reflected in its collaborations with leading hospitals, healthcare organizations, and research institutions. These partnerships enable students to secure placements that align with their professional goals while meeting the growing demand for skilled nursing professionals in the healthcare sector.

This report highlights the achievements, initiatives, and success stories of the Placement Cell at Amala College of Nursing, showcasing its role in fostering holistic development and career growth for its students.

CAREER GUIDANCE PROGRAMMES

OET Training by Ajinorah

Amala College of Nursing organized an OET training program with Ajinorah Global Venture, which took place on February 2, 2024, at 2:30 PM. providing nursing students with the language skills they need professional communication in healthcare settings and that was the goal of the event. Ms. Dina Joseph, Mr. Vibin Wilson, and Ms. Varna Varghese, three skilled OET trainers from Ajinorah Global Venture, led the training sessions. They provided detailed lessons that concentrated on the speaking, writing, listening, and reading sections of the OET test. They discussed the technique of improving language ability and communication skills.

Frame Career

The "Frame Career" comprehensive career guidance program was set up by Amala College of Nursing with the goal of helping students navigate career alternatives and make well-informed judgments regarding their professional pathways. The nurse at Hollymount Private Nursing and Retirement Home, and Ms. Liya Christina Lalan, a Band 5 RN, a 2016 batch alumna, working at Royal Devon University healthcare NHS foundation trust in the United Kingdom. The fundamental goal of the Career Frame program was to give students insightful knowledge about different career opportunities, particularly in the nursing field, and the support they needed to make wise career decisions. A specialized career counselling section was arranged, allowing students to speak with resource individuals one-on-one. Open dialogue was encouraged in this session, giving students the chance to ask questions, voice their worries, and learn insightful viewpoints from peers and presenters.

Career advancement in UK- November 27, 2023

The main objective of the training was to provide an understanding of career progression prospects in the United Kingdom, with a particular emphasis on the healthcare industry. Miss Chithira Jojo, a distinguished Registered Nurse at Active Care Group, UK, and she was also an alumnus of the college. was the resource person for the session. In this session students got an idea about the current state of the UK industry, and resource healthcare the person's explanation of career pathways and skill development was very helpful to the attendees, who also took out valuable advice on how to overcome obstacles and take advantage of opportunities for career advancement. The meeting was quite successful and During the lively questions and answers portion of the program, attendees actively engaged with resource persons to ask questions and get clarification on career-related.

Pre departure programme by NORKA

NORKA pre-departure orientation program was organized in Amala College of Nursing on 27th November 2023 at 1.00 pm. Mrs. Manju Parvathy and Mrs. Indu, esteemed representatives from the Kerala Women's Training Department, adeptly led the session. The main objective of the program was to make aware NORIKA support and resource person well explained the legal support and other welfare measures provided by the students about the requirement needed for migration abroad. Also, it explained about the salary measures, bridge courses, and various exams to be cleared. The students benefitted from a comprehensive understanding of legal, financial, and academic aspects necessary for a successful transition, and their active participation contributed to a fruitful and informative session.

Job Horizons in UK

In the UK, programs for career guidance are essential for helping people make well-informed decisions about their careers. A career guidance program called "Job Horizons" was held by Amala College of Nursing on November 17, 2023, at 8:00 a.m. The program's resource person was Ms. Della VV, a staff nurse band 5, 2021 alumni graduate, who worked in the hyper acute stroke care unit at Charing Cross Hospital, part of the Imperial College NHS Healthcare Trust in London. The objectives of the

Prof. Dr. RAJEE PEGHUNATH
PRINCIPAL
AMALA COLLEGE OF NURSING
AMALA NAGAR P.O., THRISSUR-680 555

program were to enable people to successfully navigate their career paths, make wise decisions to upgrade careers, and provide them with the information and abilities necessary for success in their areas of expertise. The resource person provided a clear explanation of the information regarding opportunities for education and training, a range of industries and career paths, job roles and responsibilities, prospects for advancement, strategies for competitive exams, visa processing, and salary benefits.

Career Guidance Programme- Uk

As a part of career guidance program, Amala College of Nursing conducted a class on career opportunities in UK. The resource person was Mrs. Albrit J Vadakkan, a Registered Nurse, at University Hospital Southampton (2017 alumni). The class was on 15/11/23 in lecture hall III from 3-4 PM. The field of nursing in the United Kingdom is one of the most dynamic and rewarding career paths available. In recent years, the demand for qualified nurses has been consistently high due to various factors such as an aging population, advancements in healthcare, and the ongoing global health challenges. She discussed about various aspects like Demand, Specializations, Education and Training, Salary and Benefits. She mentions that initiatives to increase funding for training, improve working conditions, and enhance career development opportunities are underway.

LANGUAGE DEVELOPMENT PROGRAMME

Language development programs play a crucial role in enhancing the employability and overall career readiness of students. In today's globalized job market, proficiency in language—particularly in English and other widely used languages—can significantly impact career opportunities and professional success. It equips students with the linguistic skills needed to excel in professional environments, enhances their confidence, and opens up a world of opportunities. Integrating such programs ensures students are prepared for both local and global career challenges.

Amala College of Nursing conducted a language and communication programme for all B. Sc Nursing students on 09.06.2023. Miss. Varna Varghese, OET trainer, Ajinorah global venture was the resource person of the programme. The resource

AMALA NAGAR P.O., THRISSUR-680 555

person mainly concentrated on ways to Google improve communication and use of effective communication methods. The class was very effective and interesting.

SOFT SKILL DEVELOPMENT PROGRAMS

Soft skills are crucial for personal and professional success. These programs complement technical knowledge and enhance overall employability, making them an integral part of career guidance and placement cells. These capability enhancement programs in career guidance and placement cells are indispensable. They prepare students for professional challenges, enhance employability, and contribute to long-term career success.

Encouraging Dialogues

A Soft Skill Development Program was conducted at Amala College of Nursing on May 31, 2024. The program focused on "Encouraging Dialogues," a critical aspect of effective communication in both personal and professional settings. The program started at 11.30 am and 50 participants were present. The resource person for the event was Dr. Sr. Merly John, Professor and Head of the Department (HOD) at Amala College of Nursing.

Artful Communication

A Soft Skill Development Program was conducted by Amala College of Nursing, Thrissur, on the topic of Artful Communication. The session, held on 6th May 2024 from 3:00 PM to 4:00 PM, was delivered by Mr. Sankaranunni M.K., a Distinguished Toastmaster (DTM), NSDC Certified Trainer, and Soft Skill Trainer,

EMPLOYABILITY SKILL DEVELOPMENT PROGRAMME

Employability skill development programs play a crucial role in the success of career guidance and placement cells in educational institutions. They empower students to transition seamlessly from academics to professional life, equipping them with the tools to excel in competitive job markets and achieve their career aspirations. By focusing on holistic development, these programs contribute significantly to the overall success of students and institutions alike.

Prof. Dr. RAJEE REGHUNATH
PRINCIPAL
AMALA COLLEGE OF NURSING
AMALA NAGAR P.O., THRISSUR-680 555

On May 6, 2024, Amala College of Nursing conducted a session on "Quality Improvement: An Essential Skill for Nurses" as part of Employability Skill Development programme. The session was organized to enhance the skillset of nursing students and professionals, emphasizing the importance of quality improvement in the healthcare sector. The session was led by Mrs. Lakshmi G, an expert in Point of Care Quality Improvement and a certified TOT (Training of Trainers) professional.

Conclusion

The Placement Cell at Amala College of Nursing continues to empower students with the skills, knowledge, and resources necessary for a successful nursing career. These programs have not only enhanced students' employability but also prepared them to meet the challenges of the ever-evolving healthcare industry with confidence.
